What Garden Maintenance Can Include

Lawn mowing and edging, weeding, pruning, light hedge trimming, deadheading, leaf clearing, general garden tidy-ups and seasonal garden maintenance. Work completed during each visit will depend on the condition and requirements of the garden.

Senior & Benefits Rates

Senior Garden Care: available to customers aged 65 and over.
Benefits Garden Care: proof of qualifying benefit entitlement must be shown before the quotation is accepted and the discounted rate is confirmed.

Day Visit & Subscription Terms

- Garden maintenance day visits are available Monday to Friday only.
- Each day visit is for a maximum of 7 working hours.
- Monthly, fortnightly, weekly, Senior and Benefits plans are subscription-based and paid monthly in advance.
- Unused hours or visits cannot be carried over to another month or exchanged for cash.
- Materials, plants, soil, fertiliser and specialist treatments are not included unless agreed separately.
- Large hedge reductions, tree work, landscaping, fencing and other substantial works are quoted separately.
- Substantial green-waste removal may be charged separately.
- Visit dates are subject to availability and weather conditions.
- Benefits-rate eligibility must be verified before acceptance of the quotation.
